You want me to act as if all the Divine Bells have chosen me?
Me?
If all the Divine Bells claim that you're the true emperor, everyone will believe it.

Do you want me to be some kind of hero whom all the Divine Bells follow?
Do that yourself
It'll be more persuasive because you're Ga-Bi's son, and she made the Divine Bells
And if that were to happen, the King of Myung-Joo will have more power than the Emperor of Dae-Hyun
Isn't this a good opportunity?

How do you expect me to explain about my mother and make them believe that I'm her son when we don't have much time?
And anyways, who would even believe that story?
They're fighting again.
We need to use the fastest way to convince the soldiers and stop this war.
Also, you've pulled off this kind of act before.
?

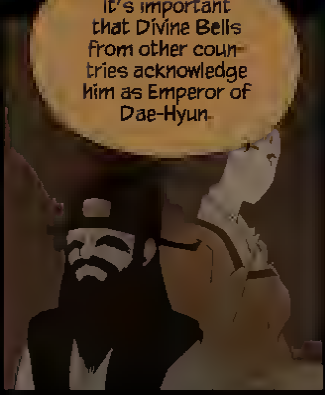
Before the Divine Bells awakened, you used the powerless bells to manipulate people into believing that you were chosen by gods, making Dae-Hyun a rich and powerful country

Sfx: drop

Just think of this as a continuation of that.
You've always done this sort of thing. It should be easy for you

Whoa. It's a soundless clash of wills.
They are destined to be enemies!!

If that's your plan, aren't there enough Divine Bells present now?
I mean, there are 4 of us.

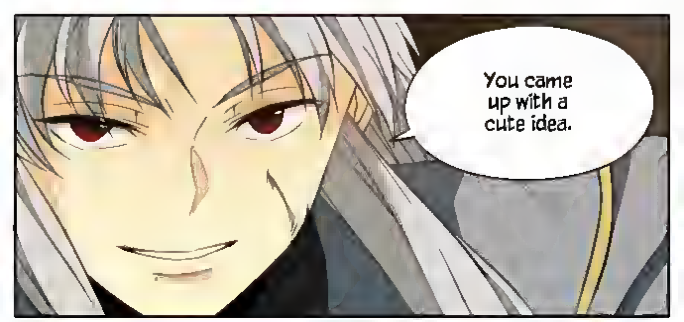


It's important that Divine Bells from other countries acknowledge him as Emperor of Dae-Hyun.

Because it will imply that the monarchs of those countries as well as their Divine Bells have accepted him as the true emperor.
To do that it's best if all the Divine Bells appear at the same time

We need to do that much to convince so many soldiers

What? That's the emperor?
But the emperor is over there too??
glance
What's going on?



You came up with a cute idea.

I know you really don't want to do this, but don't look so upset.

Don't you dislike this even more than I do?
Are you just going to stand there without a word?
Give me some more time. It's hard to make my mouth say something so insincere.

You don't want to do it?
pop
pop
Then should we do it?

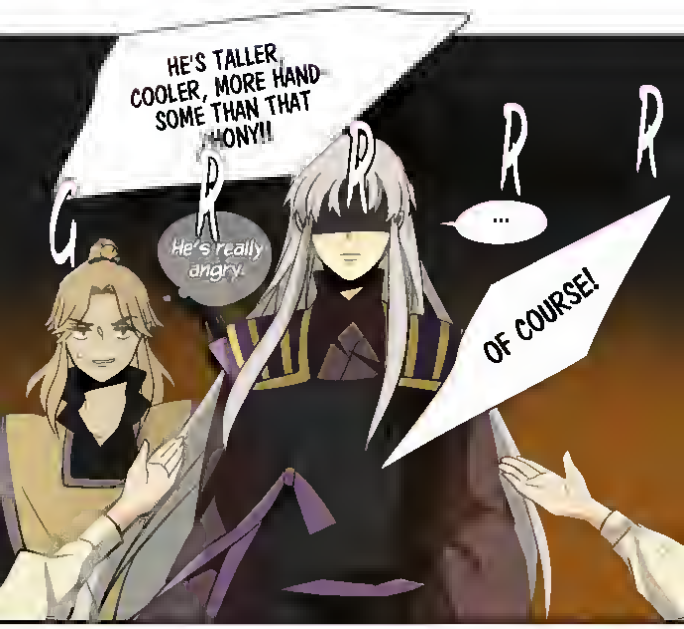
Why don't you want to do it?
Yeah! It looks so fun!
GEH! YOU GUYS ARE HEAVY!!

step
step

WE ARE DIVINE BELLS AND WE SAY THIS IS THE TRUE EMPEROR!!
THAT EMPEROR OVER THERE IS AN IMPOSTER!!
D-DIVINE BELLS?
I've seen them before! They're Divine Bells from another country!

So the emperor over there really did destroy Seol-Wan?
Is he really fake??

LOOK AT IT CLOSELY!! THE REAL EMPEROR'S FACE!



HE'S TALLER, COOLER, MORE HAND SOME THAN THAT PHONY!!

There's still a lot of time left.
That king of Myung-Joo and Hyeong-nim* made some interesting plans, so things became a little complicated.

Isn't your own power enough? That much power should be more than enough.
But why do you keep wanting even more?

Because I can't do it with just my own powers.

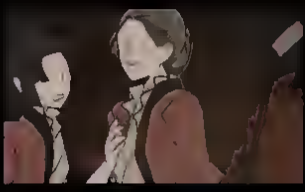
The Man with Divine Power

Fear

Contempt



Disdain

Everybody looked at me like that...

...for no other reason...

...than because I had divine power.

A PRINCE WITH DIVINE POWER CANNOT BECOME CROWN PRINCE
IT WILL BRING BAD FORTUNE TO DAE-HYUN IF HE BECOMES CROWN PRINCE
YOU ABSOLUTELY CANNOT MAKE HIM THE CROWN PRINCE!
BE QUIET!!
DO YOU STILL BELIEVE IN SUCH SUPERSTITIONS?

IF YOU LOOK AT ALL THE HISTORIES OF MEN WITH DIVINE POWER, IT IS TOO DANGEROUS TO DISCOUNT IT AS A SUPERSTITION.
WITH ALL THE FUSS AROUND THEM, IT WOULD BE MORE SURPRISING IF THEY GREW UP NORMAL!
DON'T YOU UNDERSTAND THAT PEOPLE LIKE YOU MAKE THEM TURN OUT THAT WAY, NOT THE SUPERSTITIONS?
BUT YOUR MAJESTY...!

My Prince.
Hey!

GA-BI!

Did you come to see me?

Why were you here?

Would you like to go on a walk with me?

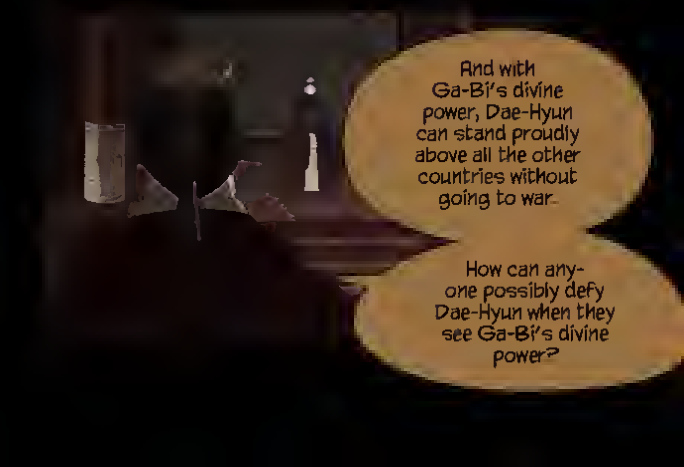
I like it when you're around, Ga-Bi!
Really?

When I'm with you, Ga-Bi, people don't call me a monster because you're scarier.

So Ga-Bi, stay with me forever!
You're going to live longer than me, so stay by my side until I die

You know already
They don't express it outright because I am a prince but they see me as a monster...

...BECAUSE I'M A BOY WITH DIVINE POWER!
BUT IT'S DIFFERENT WHEN GA-BI IS AROUND
GABI'S A LOT MORE MONSTROUS THAN I AM SO WHEN SHE'S BY MY SIDE, I'M NO LONGER A MONSTER



And with Ga-Bi's divine power, Dae-Hyun can stand proudly above all the other countries without going to war.
How can anyone possibly defy Dae-Hyun when they see Ga-Bi's divine power?

Baek-Yeom put an enchantment on this rock; it has his aura. Spirits pass through the rock to Baek-Yeom. If we block the path through the rocks, he won't be able to gather more souls.

All this time, I didn't know that I had an aversion to attacking people

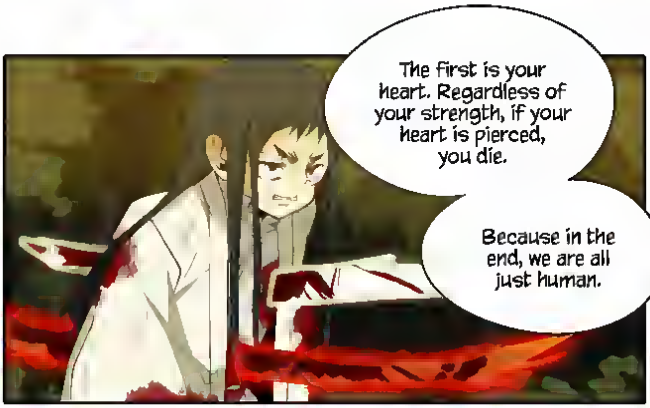
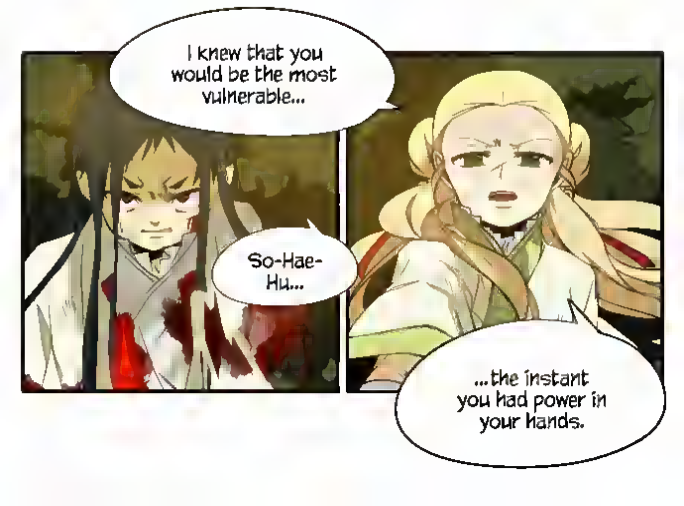
Baek-Yeom's powers are evaporating.

It doesn't matter how strong you are; there are two things you always have to watch out for.



The first is your heart. Regardless of your strength, if your heart is pierced, you die.
Because in the end, we are all just human.

And the second is
carelessness.



I knew that you would be the most vulnerable...

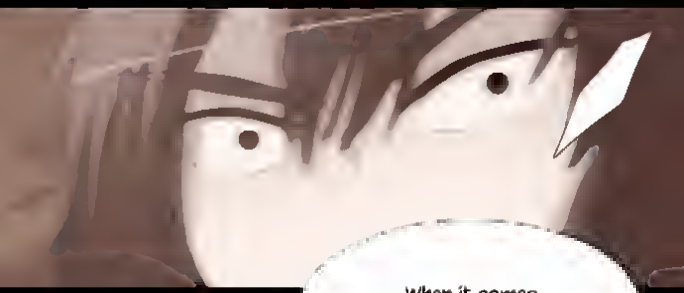
You. Are you stupid?
?

The fact that you're willing to assume the burden of guilt makes it obvious that you don't want Hong-Ryung to suffer.
Don't you even understand your own heart?
Whatever. Well, I'm not even sure if I understand all this...
...but you seem to be saying that, if something happens, you'll step in and take care of it.
So, if you can't tell Hong-Ryung, can you at least tell me?

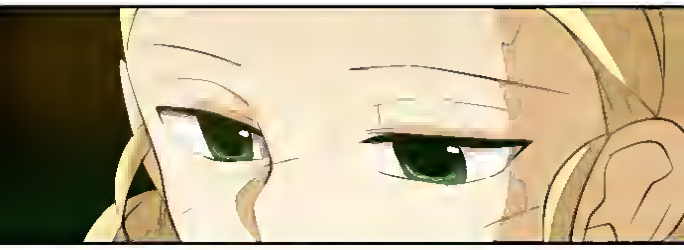
Because of that bastard Baek-Yeom, I also murdered so many innocent people.



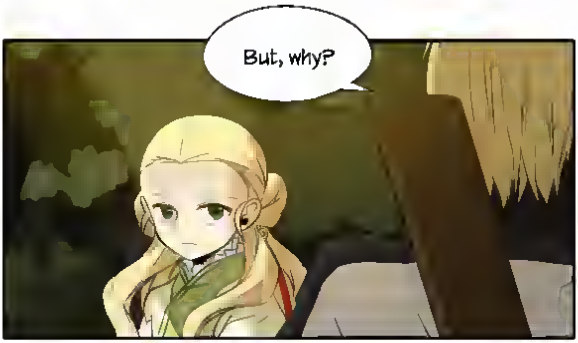
When it comes to guilt, I don't have much to lose.

And so, just tell me.
Tell me what you want to do
If it's a valid wish, I'll help you achieve it.

What exactly do you want, Ha-Hyeon?



To destroy all of your divine powers.



Because

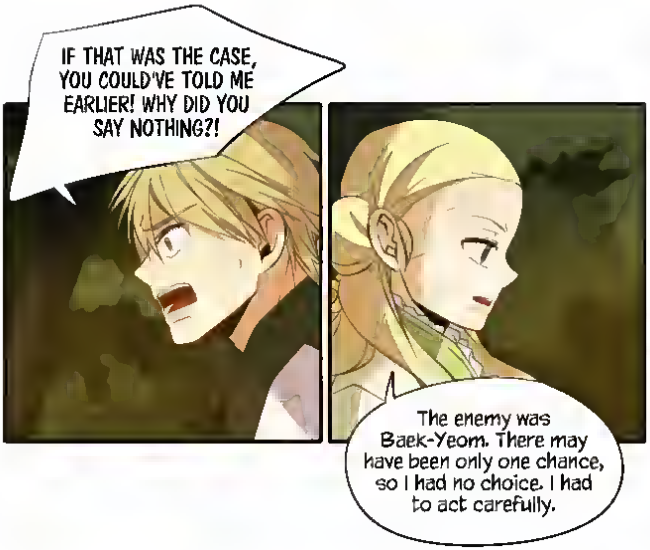
that's what Ga-Bi wanted more than anything.

Ga-Bi had no choice but to give you her divine powers in order to save your life,
but she never wanted you to become like her.

She wanted you to be a normal human, not someone who lives for hundreds of years

But even Ga-Bi had no idea how to completely erase her divine powers
She tried creating the Divine Bells and distributing her powers, but she never exhausted her divine power.

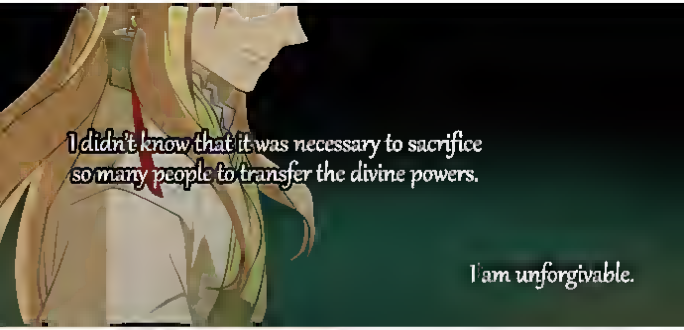
I researched this, too. The only way is to transfer your powers to another entity.
And Baek-Yeom is the only one I've found who can transfer such power correctly. I waited until the moment he took your divine powers.
At that moment, I knew, he would be at his most vulnerable.



IF THAT WAS THE CASE, YOU COULD'VE TOLD ME EARLIER! WHY DID YOU SAY NOTHING?!
The enemy was Baek-Yeom. There may have been only one chance, so I had no choice. I had to act carefully.

Also...

I didn't know that it was necessary to sacrifice so many people to transfer the divine powers.



I didn't know that it was necessary to sacrifice so many people to transfer the divine powers.
I am unforgivable.

So, Ha-Hyeon...
this entire time - you didn't hate me?

Be careful when you go back this time.
She will try anything to get you.

If, once again, you aren't chosen by a Divine Bell, she will say something like "You are unqualified to be king," and so on.

Everyone already knows that I cannot be chosen.

Ga-Bi,

...that child you saved...

...is too passive and helpless to become a king.
He lacks authority, dignity, and willpower.

Your life, to save a child like this.

What sort of favor?

Um, well, I want you to help the king of Myung-Joo

Nevertheless,

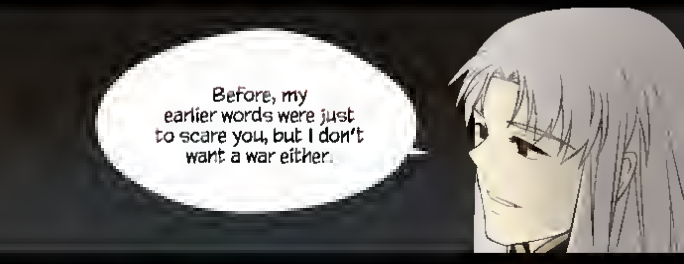
If you and this Divine Bell die, I'll leave Myung-Joo alone.



Before, my earlier words were just to scare you, but I don't want a war either.

Look around you. See how many people died for your sake.
If you quietly die here, nothing will happen to Myung-Joo.

It seems obvious...

Shouldn't we step in now?

I think I'll send Wi-Jin along on the quest to find Ga-Bi.

You are...

Perhaps we will meet again
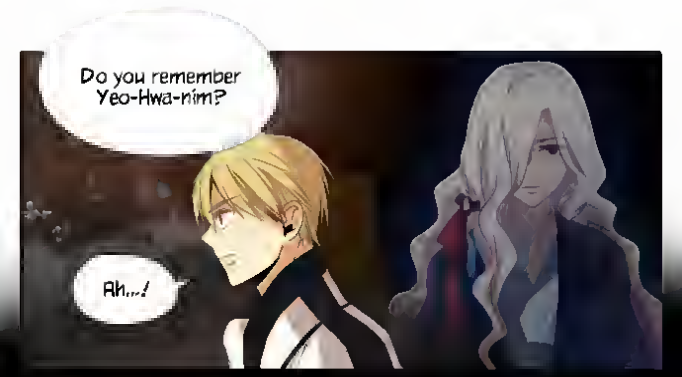
...Sa-Yong, from the cave of the priestesses

Smile

You've changed quite a bit.
I should have expected that because you weren't in your real body.

How did you...?

It may not have been obvious in all the commotion when you visited,
but we don't usually allow men to enter the convent so easily
Both Yeo-Hwa-nim and I were aware that you were Ga-Bi's son.



Do you remember Yeo-Hwa-nim?
Ah...!

A year ago, she had a premonition...
Huff
Huff

...that Ga-Bi was alive and would lose her powers soon.

She immediately left to find Ga-Bi.
Step

But by the time she reached Ga-Bi, Ga-Bi had already lost her divine powers.
Ah!

So what I had read was true

Ga-Bi,

...there must have been a reason for my premonition
If you need my help, don't hesitate to ask

I will do my best to aid you
...

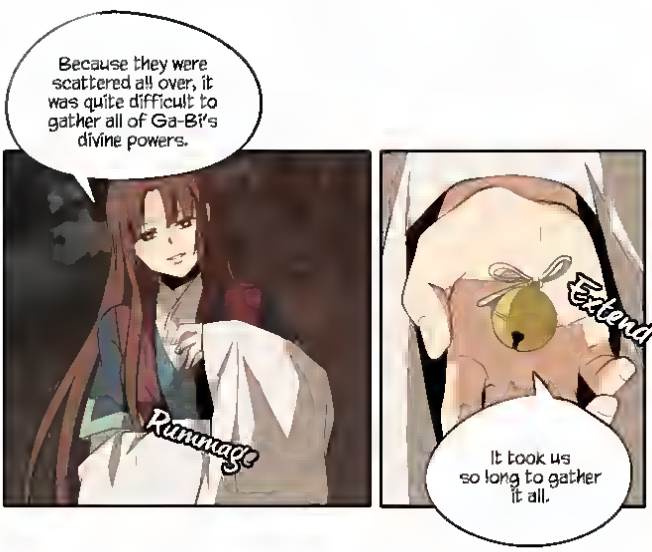
There is something I need to find.
But without my divine powers, I am short on time.

Will you
help me?

Something she needed to find?

150 years ago, Ga-Bi divided her powers and sealed them in multiple places.
Of course, the Divine Bells are only one such place.
Oh!

Not even Ga-Bi could completely get rid of her divine power.
She distributed her powers to the Divine Bells and in other places, but ultimately she couldn't disperse it completely

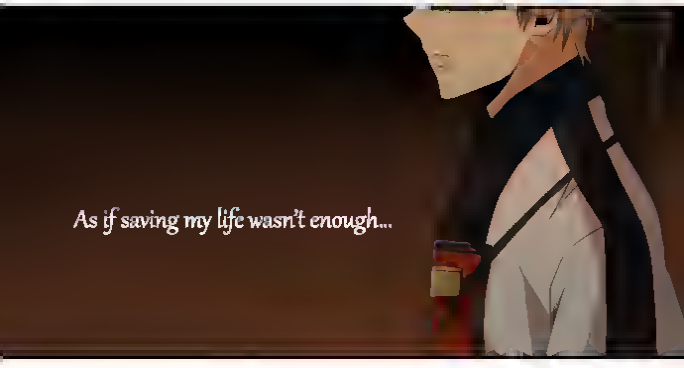


Because they were scattered all over, it was quite difficult to gather all of Ga-Bi's divine powers.
Rummage
Extend
It took us so long to gather it all.

A bell?
Ga-Bi's divine powers are collected here.
Ga-Bi would have been able to animate it into a human form like the Divine Bells, but the best we could do with our strength was simply gather the power.

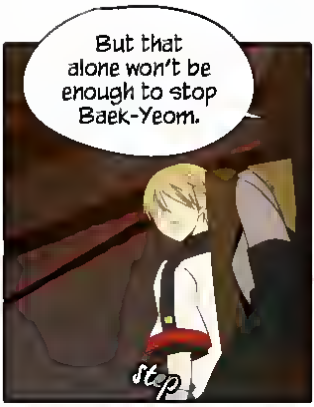
As she found her divine powers, she absorbed a bit of it to increase her lifespan.
But she feared that taking any more would affect the battle against Baek-Yeom, so she left the remainder to us... and then passed away.

So that's how she was able to stay alive for a year after losing her divine powers.



As if saving my life wasn't enough...

...you continued to care for us, even after your death.



But that alone won't be enough to stop Baek-Yeom.
Stop!

Blast
All that power rampaging - it's impossible to stop it.

It's too late to do anything now.

Is it even bigger than before?
It looks like it's gaining strength from the destruction
If it keeps getting larger like that, it'll eventually swallow the entire world.

And compared to before, I...

I...

...I think there is something I can do.

I lost my power, but I can still feel it. As I get closer, I can feel the pain inside me.

Even though Baek-Yeom stole my divine power, I might still be able to control it.

If I can control my power and combine it with this strength from my mother, we should be able to stop Baek-Yeom!

If I can control my power and combine it with this strength from my mother, we should be able to stop Baek-Yeom!
THAT'S NONSENSE! WHAT IF YOU CAN'T CONTROL YOUR POWER AFTER YOU GET CLOSER?
YOU WILL JUST END UP DYING THERE!

THAT'S BETTER THAN DYING WITHOUT DOING ANYTHING HERE! IF THERE'S EVEN THE SLIGHTEST POSSIBILITY, WE SHOULD TRY IT!

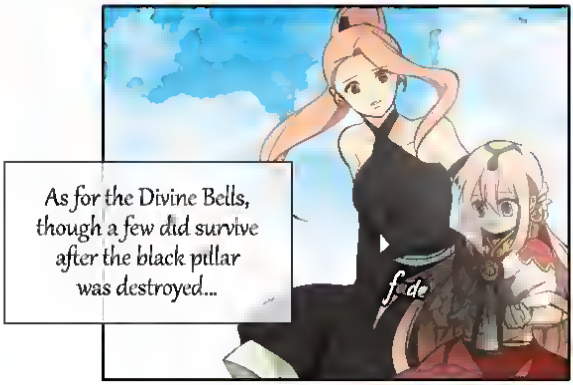
It has already been half a year since that incident
People now attribute it to the wrath of god.

Those who knew the true cause of the events remained silent, so various rumors floated around until people settled on one explanation.

And there was one more rumor.

They say that the wrath of god was calmed by a man with divine powers.
Though it appears that this rumor was spread intentionally.

Well, it was not just a rumor, but rather the truth.



As for the Divine Bells, though a few did survive after the black pillar was destroyed...

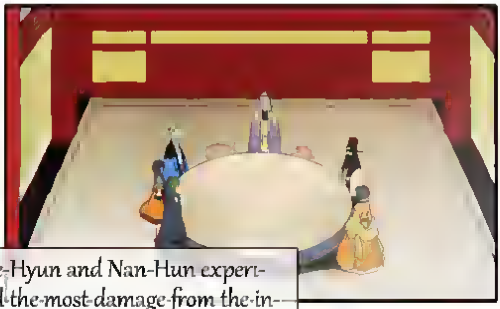
The rulers of each nation met at Dae-Hyun bimonthly to discuss issues regarding reconstruction.



Dae-Hyun and Nan-Hun experienced the most damage from the incident, and needed to ask the others for help. As a result, the rulers of Bu-Ho and Chi-Hu appeared to enjoy their position.

I guess you can never predict what will happen.
That's right. Who would have expected Dae-Hyun to experience such a disaster?

Well, their gloating made it feel as though everything had returned to normal, so it wasn't all bad.

Though it appeared that the Emperor of Dae Hyun disagreed

There's a little bit of unrest, but it's manageable.

But I'm getting used to it.

I was worried about Chui-Bi, but it appears that Hyung-nim talked to her, and she has since been rather quiet.
I can guess what he told her, but I can't let down my guard completely just yet.

As for Yu-Ha,

I did not bring her into the palace.
I felt that was best for her.

Instead, General Hae-Woon adopted her as his daughter.

Nothing has changed.

The days pass by so quickly, leaving me to wonder why everything was so difficult.

Did you hear? Everyone is saying that the king's personality has changed.
They're all idiots. His Majesty has always had a bad personality.
Snore... snore...
I now appreciate how lucky it is to have these normal days.
BAEK-YUL!! HOW DARE YOU SAY SOMETHING SO DISRESPECTFUL! KNEEL DOWN AND BEG THE KING'S FORGIVENESS!!!
Dan, wake up! wake up!!

My nation is still small and weak, and I too, am inexperienced and lacking.

But because I am inexperienced and lacking,
I know that I can move forward.

Isn't it time to at least give the emperor some excuse? It's already been half a year.

And so...

Everything will work out eventually.

HELLO. WELCOME TO THE END OF DIVINE BELLS. I AM THE AUTHOR, LEE HYE.

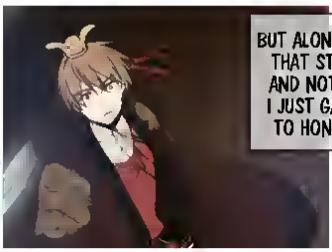
DIVINE BELLS ENDED WITH ITS FINAL CHAPTER LAST WEEK.

I GET EMOTIONAL WHEN I SEE THE DATE ON THE WEBPAGE LINKING TO THE PROLOGUE.

LOOKING BACK TO HOW I CAME TO DRAW DIVINE BELLS,

...I DREW THIS PICTURE IN AROUND 2008, AND DECIDED THAT I WANTED TO DRAW A STORY ABOUT A YOUNG KING.

THE ORIGINAL STORY WAS NOT A FANTASY, BUT RATHER ABOUT CONSPIRACIES AND BETRAYALS WITHIN A CASTLE.



BUT ALONG THE WAY, I DECIDED THAT STORY WAS TOO DARK AND NOT VERY EXCITING, SO I JUST GAVE THAT STORYLINE TO HONG-RYUNG'S FATHER.

ORIGINALLY, THE DIVINE BELLS WERE GODS OF THE CARDINAL DIRECTIONS. (I'M SURE YOU CAN GUESS WHAT POSITION GANG-HUI RULED.*)

*T/N: THE FOUR DIRECTIONS ARE SYMBOLIZED BY THE AZURE DRAGON OF THE EAST, THE VERMILION BIRD OF THE SOUTH, THE WHITE TIGER OF THE WEST, AND THE BLACK TURTLE OF THE NORTH. THEY ALSO REPRESENT WOOD, FIRE, METAL, AND WATER RESPECTIVELY.

AS I CONTINUED ADDING DETAILS, I DECIDED THAT FOUR WASN'T ENOUGH, SO JUST DECIDED TO CREATE NEW CHARACTERS INSTEAD.

I HAD ALREADY DECIDED THAT I WANTED THE FIRST CHARACTER TO BE신 = EITHER SIN OR DIVINITY = 神. I PICKED UP A HANJA DICTIONARY AND SAW령 (RYEONG) = BELL, AND THAT'S HOW DIVINE BELLS, 신령, CAME TO BE.

JUST AS THE STORY CHANGED, THE ILLUSTRATIONS CHANGED TOO, EVEN DURING ITS RELEASE.

Chapter 1

Chapter 137

AROUND CHAPTER 137, HALF THE SCENES WERE FLASHBACKS. I WAS THINKING THAT I COULD JUST REUSE THE OLD SCENES, BUT THEY WERE UTTERLY UNUSABLE, SO I ENDED UP REDRAWING 95% OF THEM.

THERE WERE SOME BUMPS HERE AND THERE, BUT ULTIMATELY DIVINE BELLS SAFELY CAME TO A CONCLUSION.

AS IT WAS MY FIRST WORK, THERE WERE PARTS THAT WERE LACKING. BUT IT WAS A LEARNING EXPERIENCE FOR ME, AND I THINK I'VE LEARNED QUITE A LOT.

THOUGH I WASN'T SURE HOW LONG IT WOULD TAKE, I HOPE THAT I CAN SAY THAT I'VE IMPROVED THROUGH THIS EXPERIENCE.

THE FOLLOWING ARE DRAWINGS SENT TO ME BY OTHER AUTHORS IN CONGRATULATIONS.
